## 16 Correspondence for Information

- DALC circular 3-4/2018
- LELHS meeting 12.3.18. A motion proposed by our treasurer Gwent Paylor and seconded by me was put to the committee and other members present.

The motion was as follows: In the event of the Little Eaton Local History Society ceasing to operate, the members will agree to forego any rights to the distribution of assets. In the event of the Society ceasing to operate any remaining assets will be offered to Little Eaton Parish Council to be used for educational and/or cultural purposes.

The motion was passed without any objections and will now be written into our constitution.

I would like to say that after 18 months the Society is well supported and thriving and that there is no prospect of the scenario outlined coming to pass in the foreseeable future and this email is simply to bring the PC up to date with events.
