19 September 2014

Dear Parish Councillor

You are summoned to attend the meeting of Little Eaton Parish Council to be held at 7:30pm on 24 September 2014 in the Thomas Bates Room, The Village Hall, Vicarage Lane.

Yours sincerely

L Storey

AGENDA

PART I – NON CONFIDENTIAL INFORMATION

- 1 To receive apologies for absence.
- 2 To determine which items if any from Part 1 of the Agenda should be taken with the public excluded.
- 3 To Receive Declaration of Members Interests. To receive and approve requests for dispensations from members on matters in which they have a Disclosable Pecuniary Interest” or similar.
- 4 Public Speaking – (15 Minutes)
 - (a) A period of not more than fifteen minutes will be made available for members of the public and Members of the Council to comment on any matter.
 - (b) If the Police Liaison Officer, a County Council or District Council Member is in attendance they will be given the opportunity to raise any relevant matter.
- 5 Variation of Order of Business
- 6 To approve the Minutes of the Meeting held on 27.8.14
Resolve matters arising.
- 7 Chairman’s Report
- 8 Free bulbs and areas to plant (Councillor Shore)
- 9 In bloom results (Councillor Shore)
- 10 Re-instatement of verge at LE roundabout (Councillor Shore)
- 11 Stone wall outside store room
- 12 Park Bench Report
- 13 Pavilion Showers - Steam Cleaning
- 14 Blocked drain outside hall
- 15 Little Eaton Island
- 16 Millennium Way
- 17 Recording of meetings policy
- 18 Clerks Appraisal report 23.7.14
- 19 Clerks Report
- 20 Correspondence for Action
 - Metafit/L Crane – Use of park charges
 - Queens Head Invite to their After the Roadworks Party
 - Waste Bin, Moor Lane. In the first instance you will need to ask permission from DCC to have a bin sited there and then send this confirmation onto me. Also, the installations costs have increased and so to supply and install a 120 litre bin will cost £391.25. Again I would recommend more regular emptying than once per month as extra collections may not be available at short notice.

- I have been forwarded your email below. I regret to advise you that Little Eaton does not meet the criteria for the provision of Vehicle Activated Signs (VAS) which, for your information, I have attached below.
 - a) VAS should be considered at sites that have a collision history associated with inappropriate speed, or a hazard, that has not been satisfactorily remedied by standard signing. Other signing means must have been

tried and have failed; the site must have been subject to a recent speed survey to determine justification for a VAS installation.

b) VAS displaying a speed limit should be located at sites which have a history of a minimum of 6 injury collisions within 1km over the previous 3 years, and where speed has been a factor in all or some.

c) VAS displaying a speed limit should be located at sites where the results of traffic surveys show the 85th percentile¹ speed is at least 10% over limit +2mph measured over 7 days.

d) Hazard warning VAS should be located at sites which have a history of a minimum of 6 injury collisions within 1km over the previous 3 years, and where the hazard has been the cause.

e) Requests for VAS that meet these criteria should be prioritised on the basis of a calculated estimate of casualty reduction benefits.

f) The flexibility of temporary VAS means they are the preferred option but the decision on which type of VAS to be used should be made on a case by case basis. To retain effectiveness, temporary VAS should remain on site for no longer than 3 months, and should not be redeployed at the same site within 6 months.

g) Any proposal for VAS to be funded through County Council programmes but which does not meet the above criteria must be justified through an Exception Report in Service Plan preparation processes for permanent installations or via a Cabinet Member report for temporary installations.

25 Date of next meeting 22.10.14 Village Hall 7.30 pm
