November 2017

Dear Sir or Madam

A38 Essential Maintenance work: from Little Eaton roundabout to Kedleston Road

I am writing to let you know that following the recent works carried out, we will shortly be returning to carry out a number of defects that have been identified.

The work includes minor road marking renewal, and the replacement two carriageway patches.

When will this work take place?

The work will take place from **Saturday, 02 December** to **Sunday, 03 December**.
Subject to change due to weather conditions or unforeseen circumstances.

How will it affect traffic?

To minimise inconvenience and disruption to the travelling public, we will carry out the work overnight between the 8pm – 6am:

To maintain a safe environment for our workforce and customers, we will need to close the southbound carriageway overnight. During the closure, we will put in place fully signed diversion route.

During the day we will keep the carriageway open as usual.

We apologise for any inconvenience you may experience and will do our very best to keeping disturbances and noise to a minimum.

Contact us

If you have any questions about our work, please call the Highways England Customer Contact Line on **0300 123 5000**. You can also email us at info@highwaysengland.co.uk for the attention of **East Midlands Asset Delivery**.

Yours faithfully,

East Midlands Operations Directorate
