Come enjoy the thrills & spills of the chase at the Little Eaton Football Club “Race Night”.

On Saturday 29th April at The Village Hall, Little Eaton Football Club once again presents their “sport of kings” social event to raise funds for the senior football teams.

The annual event is now firmly established as a popular fixture in the community social calendar. As ever local residents and friends from far and wide are very welcome, irrespective of whether they have any connection with the club.

Feedback from last year's racegoers was extremely positive with widespread acknowledgement that the night was an enjoyable, value for money night out.

The entrance price is £5.00 and includes the race programme and a delicious buffet, once again provided by local caterer Donna Baxter of 'The Little Kitchen'.

The bar, serving a wide selection of alcoholic and non-alcoholic beverages, will be very keenly priced as the organisers keep in mind the need for the “racegoer” to have plenty of funds available for a wager or two on their favourite horses !

Doors open at 7:00pm and the flag drops on the first race at 7.30pm.

Tickets available from club representatives: Terry Wellings, Di Mulvey, Josh Lambert and via the Committee Tel: 01332 831350
