

SHED SECURITY

The value of property in sheds and garages is more than people think. Thieves are targeting them for power tools, cycle and sports equipment.

**Let's weed out
these thieves**
turn over leaflet for our top tips

What you can do

- ▶ Make sure there are no tools left in the garden that could be used to attack the shed.
- ▶ Lock all windows
- ▶ Cover up the window so people can't see what is in the shed.
- ▶ Mark all the property in the shed and record any serial numbers on immobilise.com
- ▶ Coach bolts or non return screws (use to replace all screws on the hinges and locks)
- ▶ Hasp and staple to secure shed (screw into the timber, in fact use two locks on the door)
- ▶ Padlock (certified to BS EN 12320 minimum grade 3)
